

Uncreative writing a diary

**During
my 5 years
in France,
I've never
visited
Mt.Saint
Michel.
In fact,
I tried
several times
to find a
cheap trans-
portation
ticket for this
must-to-go
spot, but
it never
realized.
Considered
myself at
least as
almost
-french
resident at
that time,
I didn't
want to
be seen
in France
like
an Asian
guest
touched
by Disney
movie
« Tangled ».**
